Winchester Lake State Park information regarding repair/replacement of the dam and water quality.

Joe Dupont shared information with Mayor Youngren:

Spillway problem. Lost funding so work stopped. Fish and Game owns the water at the lake. The plan is to have the repair done by 2027.

The plan is to draw the lake all the way down, fill it and restock the fish.

Contact your legislators to give Fish and Game more money for these repairs.

There are temporary dams that could be placed. The insurance would not cover this temporary option.
